

**AMERICAN COLLEGE OF FOOT AND ANKLE SURGEONS
SKILLS LEARNING COURSE**

CERTIFICATE OF ATTENDANCE

Dr. Selim Mugrabi attended and participated in the *Challenging Foot and Ankle Procedures Surgical Skills Course* held at the Musculoskeletal Learning Center and the Radisson North Denver Graystone Castle Hotel, Denver, CO, October 6-7, 2007.

This course is designed for participants to develop surgical skills for a variety of complex and useful forefoot, rearfoot and ankle procedures that are effective for the more commonly encountered injuries and deformities, and to receive 14 continuing education contact hours.

Daniel J. Hatch, DPM, FACFAS
President

The American College of Foot and Ankle Surgeons is approved as a sponsor of continuing education in podiatric medicine (courses) by the Council on Podiatric Medical Education.
